Baywood Village

January 2018 *President's Message*

The Holidays are almost over. We hope everyone has had a safe and joyous Holiday Season. December 9th was our annual "Breakfast with Santa" The kids had a great time with Santa. Our Volunteers did a wonderful job serving breakfast.

Your annual association dues are now due, please **help us help you** and your community keep moving forward by sending in your \$60.00 check to-day. We have made some headway in 2017 and hope to keep making improvements to your community in 2018.

By joining you will be able to take advantage of the **discount with Waste Connection** for trash and recycling in the coming year. Once you pay your dues we will send you a trash certificate so you can take advantage of the discount. Also we are once again offering a Gift Card valued at \$60.00 which we will draw from paid members in 2018.

The Chili Cook-off is scheduled for January 20th at the clubhouse. Every year the event has brought neighbors and friend together for a fun time. This event is 100% self funding. We have Cat Valentine providing live music to enjoy. We need a few more entries so far, so if you have the best Chili, give me a call to enter.

Ladies of the neighborhood will be visiting homes in January to selling tickets to this chili cook off. Or if you like call me and I'll deliver them to you. This event is open to residents and non residents. Tickets are \$8.00 for non-BVA members and \$4.00 for BVA members. We will be having a 50/50 also. Monies collected will go to cash prizes for the best chili. You'll have to come to vote, taste it and tell us. A chili dinner will be served after the judging.

WE CAN NEWS

First of all I would like to thank all of you who donated to WE CAN collection in the year 2017. It is greatly appreciated by our team and F.E.A.S.T.

We have noticed the local Publix and Winn Dixie are still offering many "Buy One Get One" free in their flyers. This is a wonderful opportunity to collect a few during the month for our We Can pick up. Mark that one on your shopping list and you will be surprised at the number of items on BoGo list are on the FEAST list. The need is still the same and they include: Canned meats, any type seafood, fruit, vegetables, peanut butter, pasta dried milk and cereal. Also, paper products, feminine products, soap, cleaning supplies and any fresh fruit and vegetables. Non perishable items. If you have any question regarding an item, feel free to call any of the numbers below.

We are still short gals and guys also to help with the collection. It requires only 1 hour the first Saturday morning of every month. It is a good way to meet new folks in the village and it is fun too. If you know of a teenager that would like to help they are most welcomed. Just call one of the numbers below.

If we miss your donation or you forgot, please call or if you prefer, you may drop items by to Joann's at 336 Westwinds Circle. Joann at 937-3360 or Sally at 937-4791
